All Kelly Educational Staffing substitute teachers receive regular performance feedback from permanent teachers and school administrators, and each semester, Kelly Educational Staffing managers have the opportunity to nominate one substitute teacher as Substitute Teacher of the Semester. The honorees earn gift certificates and are eligible to become Kelly's National Substitute Teacher of the Year, an honor that is awarded at the end of the school year.

"While we recognize the valuable contribution made by all of our substitute teachers for the work they do in maintaining the progression of learning, the outstanding example set by these individuals is particularly noteworthy," said Scott Smith, vice president for Kelly Educational Staffing. "They have demonstrated a genuine dedication to student achievement."

Established in 1999, Kelly Educational Staffing employs 13,000 substitute teachers who meet all state and local certification requirements for any K-12 teaching situation in a public or private school. Kelly Educational Staffing currently serves more than 2,900 schools in the United States and the United Kingdom.
