(a) Name of person filing: Terence E. Adderley

(b) Business address: Same as Company’s address given under Item 1

(c) Present principal occupation and name, principal business and address of organization through which principal occupation is carried out:

Non-Executive Chairman of the Board
Kelly Services, Inc.
(see Item 1 for address)

(d) During the last five years, I have not been convicted in any criminal proceeding (traffic violations or similar misdemeanors excluded).

(e) During the last five years, I have not been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which I am or was subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) I am a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

I am the beneficial owner of 11,806,504 shares of Class A Stock (non-voting) and 3,214,390 shares of Class B Stock (voting) as set forth below. The changes in the description of the ownership of Class B Stock set forth below from that disclosed in my Schedule 13D filed on January 13, 1998 reflects the distribution of Class B Stock from the William R. Kelly Marital Trust to me directly (my Revocable Living Trust B) on June 22, 2005. The aggregate amount of my Class B Stock has not changed. My ownership of Class A Stock set forth below primarily reflects the distribution of Class A Stock from the William R. Kelly Marital Trust to me directly (my Revocable Living Trust A) on June 22, 2005 and sales of Class A Stock for liquidity purposes to meet ongoing estate obligations.

Class A Stock: 4,786,890 shares held by the Terence E. Adderley Revocable Living Trust A of which I am the trustee and have sole investment and voting power, 4,495,013 shares in William R. Kelly Marital Trust of which I am co-trustee with JP Morgan Chase N.A. (formerly Bank One Trust Company N.A.); 30,000 shares in a charitable trust of which I am co-trustee with JP Morgan Chase N.A.; 260,612 shares in an irrevocable trust, of which I am a beneficiary; 1,499,513 shares held in separate trusts of which I am a co-trustee with sole or shared investment power, in which I have no equity interest; 223,642 shares held in the Estate of Margaret A. Kelly (the “Estate”), of which I am co-personal representative; and 510,834 shares which I have the right to acquire through the exercise of options within 60 days.

Class B Stock: 1,970,751 shares held by the Terence E. Adderley Revocable Living Trust B of which I am the trustee and have sole investment and voting power; 1,171,189 shares in the William R. Kelly Marital Trust of which I am a co-trustee and have sole investment and voting power; 71,825 shares in an irrevocable trust, of which I am beneficiary and have shared voting and investment power; and 625 shares held in five separate trusts of which I am a co-trustee with shared voting and investment power, in which I have no equity interest.

On February 8, 2006, I suffered a cardiac incident. On February 27, 2006, the Company announced that its Board of Directors had implemented a corporate succession plan naming Cart T. Camden as chief

executive officer and Verne G. Istock as non-executive chairman of the board. Prior thereto, I was the chief executive officer and chairman of the board of the Company. On March 2, 2006, the Probate Court of Oakland County, Michigan determined that I was medically incapacitated. As a result thereof, I ceased sole or shared voting and/or dispositive power, as applicable, with respect to the Class A Stock and Class B Stock held by the above-referenced trusts, and in the Estate, and the successor trustees or co-trustees of such trusts and the co-personal representative of the Estate held the voting and dispositive power. I recovered from the cardiac incident, and on May 10, 2006, the board of directors named me as the non-executive chairman of the board, and Mr. Istock as lead director. Mr. Camden continues as president and chief executive officer of the Company. Effective May 16, 2006, I regained sole or shared voting and/or dispositive power, as applicable, with respect to Class A Stock and Class B Stock held by the above-referenced trusts and Estate as disclosed.

Item 4. Purpose of Transaction.

See Item 3 above for a discussion of the cardiac incident which temporarily affected my beneficial ownership of Class A Stock and Class B Stock.

I currently have no plans or proposals which relate to or would result in (a) the acquisition by any person of additional securities of the Company or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, organization, or liquidation involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws, or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or (j) any action similar to any of those enumerated above. Notwithstanding the foregoing, I may, in my discretion, as authorized by the various trust agreements, take any of the foregoing actions as I may deem appropriate from time to time in light of the circumstances that may arise from time to time.
