**JACKSONVILLE, Fla. (June 14, 2005)** – Kelly Educational Staffing and Duval County Public Schools today announced the continuation of their substitute teacher staffing partnership. Kelly Educational Staffing has been providing substitute teachers to Duval County Public Schools since March 2001, assisting with supplemental, same day staffing needs as requested by the district. In January 2005, Kelly Educational Staffing piloted full service substitute staffing in six of the Duval County Public Schools. Kelly Educational Staffing will now supply substitute teachers to the Duval County Public School system beginning with the 2005 fall semester.

“We are pleased with the success of our substitute teacher pilot program,” said Vicki Reynolds, assistant superintendent, Human Resource Services. “The partnership with Kelly Educational Staffing enables us to focus our attention on the hiring of full-time teachers in critical shortage areas.”

“We are delighted to continue our partnership with the Duval County Public Schools and look forward to supporting the educational process,” said Heidi Hanes, vice president and district manager for Kelly Educational Staffing in Jacksonville. “We are committed to providing school administrators, teachers, substitute teachers and students with the highest level of service in the learning environment.”
